

Audience Discovery Demo - Freedom Square Program

Synthetic demo document for showcasing Audience Discovery Engine capabilities. This content is fabricated for demo purposes and does not represent official findings.

Date: 2026-03-18

1) Inputs Used

- Freedom Square program (PDF) - long-form policy platform content (Georgian).
- Public policy and civic reform references (EU integration, governance, health, education).
- Selected public reports for context (economy, jobs, social protection).

2) Crawl + Analysis Summary

- Pages analyzed: 1 PDF (single source)
- Chunks created: 38
- Clusters created: 6
- Segments generated: 4
- Verified evidence quotes: 9
- Runtime: 7.4s

3) Audience Segments (Example)

Segment A - Pro EU Reform Supporters

- Rationale: Emphasis on EU accession, institutional reform, and democratic standards.
- Confidence: 0.82
- Evidence: EU accession is a strategic priority and requires institutional reform.

Segment B - Education and Youth Mobility

- Rationale: Strong focus on education access, exchange programs, and youth mobility.
- Confidence: 0.79
- Evidence: Expand exchange opportunities and youth mobility programs across Europe.

Segment C - Health and Social Protection

- Rationale: Social safety nets, public health priorities, and equity framing.
- Confidence: 0.77
- Evidence: A strong society is measured by the well-being of its most vulnerable citizens.

Segment D - Economic Growth and SME Opportunity

- Rationale: Job creation, inclusive growth, and competitiveness themes.
- Confidence: 0.74
- Evidence: Economic development must be based on opportunity and fair competition.

4) Cluster Themes (Example)

- Cluster 1: EU integration and institutional reform
- Cluster 2: Education and youth mobility and Erasmus
- Cluster 3: Health system and social protection
- Cluster 4: Governance and rule of law and anti corruption
- Cluster 5: Economic competitiveness and SME growth
- Cluster 6: Environment and agriculture and animal welfare

5) Messaging Recommendations (Example)

For Segment A - Pro EU Reform Supporters

- Headline 1: Europe is our future and we have a plan to get there.
- Headline 2: Reform the system, deliver EU standards.
- Headline 3: Faster integration, stronger institutions.
- Tone: Evidence led, confident, reform oriented.
- CTAs: Join the reform agenda; Read the plan; Support EU alignment

For Segment B - Education and Youth Mobility

- Headline 1: Open Europe doors to Georgian youth.
- Headline 2: Scholarships, mobility, and opportunity for every student.
- Headline 3: Build a future where youth can thrive here and abroad.
- Tone: Aspirational, future focused, supportive.
- CTAs: Explore youth programs; Share your story; Get involved

For Segment C - Health and Social Protection

- Headline 1: Dignity and care for every family.
- Headline 2: Health systems that protect the vulnerable.
- Headline 3: A stronger safety net for every citizen.
- Tone: Empathetic, caring, reliable.
- CTAs: Learn the health plan; Support social protection; Volunteer

6) Quality Metrics (Example)

- Coverage: 0.82
- Explainability: 0.71
- Evidence pass rate: 0.68
- Pages crawled: 1
- Segments verified: 3

7) How to Use This in ADE

- Upload this PDF to the Audience Discovery module as a demo input.
- Review segments, confirm the most accurate ones, and generate messaging.
- Export JSON/CSV to share with communications and field teams.

Note: This is a synthetic demo artifact for product demonstration and does not reflect real analysis.
